

MORE, LORD !

Open the gates! Open the gates! Let the King of Glory come! Come, Holy Spirit! Open up a realm, a realm of Your Spirit, a realm of Your Glory in this place! Open a portal, with angels ascending and descending.. I want an open heaven. Bring heaven into this place! Holy Spirit, soak me! Saturate me! Bring the Anointing! Bring the Angelic! Fill this room with Your Fire, Your Glory, Your Presence!

Lord, break into the now of my experience and break me OUT into new paradigms! Break me into greater realms! Break me into new and higher realms of Your Spirit! Lord, I want to come HIGHER!

Break into my mind and thinking! Blow away my box! I repent of my box that limits You in my thinking.. Blow away ceilings, walls, limitations, religion, bonds.. the bonds others have put on me by their words and thinking.. and those I've put on myself by my own words and thinking.. I repent of my negative mind-set concerning myself. Take me far beyond all I can imagine, ask, or think!

Lord, I want to burn.. that men may come to Your light.. Make me a burning man of God, Lord! Make me HOT! I want to BURN for You! Set me ABLAZE! Make me dangerous and radical! Let me burn, till only Christ in me remains.

Lord, I don't want to be lukewarm.. watered-down.. pasteurised.. or as Ichabod. I want white-hot.. super-concentrated.. FIRES OF PASSION in my heart for You! May it BURN in my heart to want MORE of You. And give me FULL measures, Lord, not half-measures.. Give me a HUNGER for You. Make me DESPERATE for more of You.. Make me DESPERATE TO BE DESPERATE for more of You!

Lord, help me to press into Your heart, and to lie down on Your altar! Send Your fire upon the altar of my life.. and burn up the sacrifice! Lord, do whatever it takes to make me wholly Yours. Give me divine romance in the depths of who I am in Christ! Put Your fire on my hands and feet!

Lord, I want to stand in Your glory! Make me a CARRIER of Your glory, of your Presence, wherever I go. And may an increasing zone of Your glory surround me and impact people! Come, fresh holy wind and fire! Lord, enlarge Your dwelling place in me!

Lord, I CRY OUT! Give me a heart for the lost, a heart for souls, a heart for suffering humanity! Touch the people, Lord – I want You to touch the people..

Cause revival to burn so deeply in my heart that others can't help but be changed! I want to be passionate for the things that You are passionate about, Lord! What's on your heart?

Lord, CHANGE me! Put me on Your potter's wheel! Delve Your fingers into the depths of who I am in Christ Jesus, and shape me to your will! TRANSFORM me.. that I may be a transformer of cities, regions, nations, continents! Lord, I CRY OUT for more anointing.. the BREAKER ANOINTING, the RESURRECTION ANOINTING, the SEER ANOINTING.

Lord, what is the highest, and most, and best, that I can do for You? I CRY OUT to fulfil the destiny You ordained for me before time began.. and I can do nothing without You, Holy Spirit. Only You can get me where I need to be.

AWAKEN DESTINY & BIRTHRIGHT in me! Power me up to the MAX, Lord! . Give me megawatts for the nations!!! Make me dangerous and radical! Make me CATALYTIC!

Make me WILD and hungry for FRESH things of You.. for Your lightnings to flash through me.. for fresh waves of Your glory to flow through me.. I want the "SUDDENLIES" of God! ...to taste of Your Word, and of the powers of the age to come!

Let me SEE Your angels and HEAR Your angels.. Let me see YOU.. I want to meet with YOU.. face to face!

Lord, take me into Your glory cloud.. amid your lightnings and thunders.. I need to receive Your Words.. and take them to the peoples. Make me a VOICE to the nations..

I need to stand in Your counsels and receive your Words, Your scrolls, Your blueprint plans, Your strategies.. Your keys.. Your mantles.. Your swords and sceptres.. Send me Your angels with Your orders... Lord, bring multiple visitations, God-encounters.. impartations! Lord, I choose the works that have been ordained for me before time began. And, Lord, I need the government of God to back up Your Words with miracles, signs and wonders!

O Lord, You are truly ALL I want! I love You! And I simply want to know and serve You more!

O Lord, I ask that You would radically revolutionize me. Tenderise my heart again. I want to return to You as my first love. MAKE my heart HOT again! Return me back to You! AMEN
